# RISO FW Series - Obtaining Meter Reading

Meter readings can be obtained from the RISO FW Series in two different ways as follows:

**1** **Using the Operational Panel "Function Keys"**

**A]** Press the > *F1 button* > on FW Operation

**B]** Counter > *Details* > will open where you can view or print out the meter reading.

2 **Via the Operational Panel "Home Page"**

A] In Home page select:
> *System Info* >

B] In System Info select:
> *Machine Info > Counter*

C] Counter > *Details* > will open where you can view or print out the meter reading.
