

How to confirm if your RISO FW, FT, GD or GL model has a PS-Kit fitted.

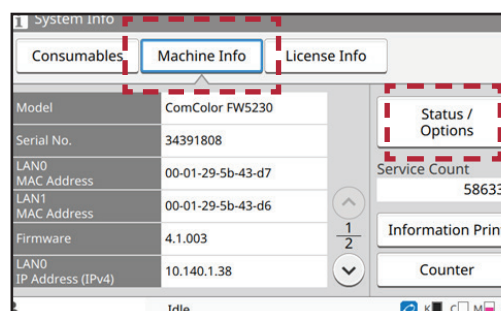

Using the LCD Panel

1. On the LCD display, select [System Info]

FT Screen Shown

2. Select [Machine Info] > then select [Status/Options]

2. In [Status/Options] scroll down to [Postscript Kit] on the right hand side you will see confirmation of the status [Installed] or [Not Installed]
